"The Apostolic Motorcycle Ministry of Jesus Christ"

The complexities of daily life are often confusing. That's because you're at war. Not a war you can see, but a Spiritual War—a war that has you in the middle of good and evil—God vs. Satan. Battles in this war go on within every man. It's a war that some win and some loose...But, **you don't want to loose!**

To win at war, you must arm yourself with both defensive and offensive weapons. You must know how to fight and destroy!

We're **Armed and Dangerous**—Armed with answers to everyday questions from the Word of God and **Dangerous** to all manner of evil, including Christian Falsehoods.

Need to talk?...We'll listen!

Need to fellowship?...We're there!

Want to ride for Jesus?...That's what we do!

**Brotherhood—Sisterhood
The Real Thing**
