

host events to bring people to our local churches. Possibilities are numerous for outreach!

Through our Motorcycles for Missionaries program, we raise funds each year to donate motorcycles to foreign missionaries who are spreading "BIBLICAL TRUTH" to people in foreign countries.

We help host "Biker Sundays" for local congregations which brings in many first-time visitors.

We give Holy Ghost filled men and women from biker backgrounds an opportunity to witness using their motorcycles.

We pray to see local chapters of **Azusa StreetRiders** across the world, each with its own autonomous organization riding under the "umbrella" of **Azusa StreetRiders**, proudly proclaiming Apostolic "Truth"! To do so, we need your help, but you must have the approval of your Pastor to do so. Prayerfully consider approaching him about joining **Azusa StreetRiders**!

If you want to witness, you'll be surprised at the number opportunities that arise when you just wear your **Azusa StreetRiders** backpatch.

"Patching" with Non-Denominational Ministries  
Read 2 Peter Chapter 2. Don't allow yourself to become a vessel carrying "false doctrine" to a lost world!

"So we, being many, are One Body in Christ (Romans 12:5)...", therefore, let's wear One Backpatch!

## The Apostolic Motorcycle Ministry of Jesus Christ

Are you a **One God, Apostolic, Tongue Talking, Holy Ghost filled, baptized in Jesus' Name biker**? Has your world been turned *right-side-up* by **Jesus Christ**? Are you sold out to the **Apostolic Doctrine** as first taught in the Book of Acts, preached on the Day of Pentecost and summarized in Acts 2:38?

**Then you need to be an...**

**AZUSA-STREETRIDER**

**Azusa StreetRiders is the World's Only Oneness Apostolic Motorcycle Ministry.**

Without exception, *every* other major Christian motorcycle ministry and club in the world is founded on **false Trinitarian Doctrine**, including those “so called” *non-denominational* motorcycle ministries and clubs.

**Azusa StreetRiders stands alone professing Biblical Apostolic “Truth.”**

As bikers, **Azusa StreetRiders** are carrying the flames of the Azusa Street Revival and the true Apostolic gospel of Jesus Christ, to places where “churched Christians” often fear to tread. We have a burden for the “lost” that extends beyond the walls of our church buildings...into the **“highways and hedges”!**

We’re not ashamed of the Apostles’ Doctrine including **Baptism by full immersion in Jesus’ Name and the infilling of the Holy Ghost evidenced by Speaking with Other Tongues** (See Galatians 1:8). We don’t “patch” with those who promote salvation by any other means—**which is all other major**

**bike ministries**—and we try to “win” them to Christ through witnessing, friendship and our knowledge of the Holy Scriptures.

The **Azusa StreetRiders** 15” x 15” backpatch (example at left) is our most effective witnessing tool. It generates many questions about “Azusa” and “Acts 2:38” almost everywhere it’s seen. What other “tool” causes total strangers to open their own door for your personal soul-saving testimony?

From an organizational standpoint, our goal is simple...

**Every Oneness Apostolic motorcycle rider in the world needs to be an Azusa StreetRider**

There are only a few Oneness Apostolic bikers in the world, therefore your membership in **Azusa StreetRiders** *really does matter*. Collectively, we can have a notable “presence” at bike rallies and can
