

## Bible Study Completion Acknowledgement

DEAR PASTOR:

In an effort to help spread APOSTOLIC TRUTH to those we come in contact with through our Azusa StreetRiders (ASR) outreach efforts, we have this "*Bible Study Completion Acknowledgement*" program for our members. For each individual who is taught a Pastor-Approved Bible Study to completion, the ASR Member will be given a silver star to display on his/her backpatch. Your signature below officially states that the Bible Study was approved by you and that it was taught to completion by the ASR member cited below.

Thank you and God Bless!
